FAIRMOUNT CEMETERY

Fairmount Cemetery is located on the NE of Sec. 12, Twp. 53, Range 22, West of the Fourth Meridian approximately two miles east of the Ardrossan turnoff on Highway 16, east of Edmonton. The Cemetery was started near the Methodist Church which originally was located at this site. The Church was moved to Ardrossan in 1910, becoming a United Church at the time of Church Union. Ownership of this cemetery remains with the United Church of Canada. Mr. Clyde Storms was the first keeper of the Register. The duties have now been taken over by his son, Lorne W. Storms and his wife, who reside approximately one mile west of the cemetery. Their address is R. R. #2, Ardrossan.

When Highway #16 was widened to become a four-lane divided road, the new eastbound lanes were curved around the southern boundary of the cemetery, the westbound lanes remaining on the north side.

A Committee of area residents was formed to re-survey and draw up a new plot plan. We have devised our own plan and where the markers were found, these were noted by a corresponding number on our plan. The first burial recorded is that of Edmond Lorne Heacock who died in 1903. The latest burial is that of Thomas REGinald Kinch, who died in March 1980.

A lot of historical information about the area and its people can be found in the local history book "Cherished Memories", compiled by the Ardrossan Unifarm, March 1972, with the assistance of Rev. John M. and Mrs. Retus Fawcett. There are several burials mentioned in this book as having taken place in the Fairmount Cemetery. We could not locate some of these burials in the cemetery records, but have included them in this list with a notion indicating that they have been found in the book "Cherished Memories".

FAIRVIEW (STONE) CEMETERY

SW05-039-23 W4

The Fairview Cemetery, southwest of Alix, Alberta, is commonly known as the "Stone" Cemetery, being located on land donated in 1904 by Charles E. Stone. The community and area around is known as the Stone district, and was settled in the first years of this century. The cemetery is situated high on a hill overlooking the original Stone farm, with magnificent views on every side.

On March 12th, 1904 a meeting was held in the Hopedale school, which was situated north-east of what is now Haynes, for the purpose of organizing a committee to lay out a graveyard to be named "Coalbank", on the land donated by C. E. Stone. Officers were elected, and plan opted for the graveyard layout. Also accepted was the bid to "fence the area with three wires, good willow posts eight feet apart and well braced, laying out the ground according to plan, ground and road location and plots staked, and putting in wiregates". Cost of this to be \$30.00. Anyone making a payment of \$2.00 was entitled to a lot.

Throughout the years the cemetery has been maintained by members of the community, although in the early 1960's conditions had so deteriorated that a meeting of public concern was held, whereat it was indicated that some financial assistance could be expected from the Municipality of Lacombe. In 1979-80 the cemetery, now registered with the Province as "Fairview", Cem #32, was granted a restoration grant of \$2,000, and the improvements that were so much needed, included an ironwork arch with the name of the graveyard, were made.

Now, in the 1980's, the cemetery is still well maintained by a community work bee held each year during the summer months.

Lakeview Cemetery, Fenn NE31-036-21 W4

LAKEVIEW-FENN CEMETERY NE31-036-21 W4

The Lakeview Church and its churchyard cemetery are located on a hill top just south west of Ewing Lake, a few km. west of the village of Fenn. This church was truly a community church, including all the denominations in the area. The land was donated by the Lockwood family (Anglicans), donations and assistance towards the building came from the Methodists and Presbyterians, as well. Those families known to have taken part in this co-operative venture were the J. Ewings, the Chris Leggs, the Jim Hannas, Mr. and Mrs. Jock Lockwood, Ben Witter, Tom Sinclair as well as the Adsheads.

The earliest burial appears to have taken place in 1916. Sixty one burials have been identified.

This cemetery was recorded by Judy Wasylenko, AGS # 1233.

The information included in this recording has been added to the AGS Master Data Bank.

FOREMOST CEMETERY

NW-17-6-11-W4

The Foremost Cemetery is located just west of the town.

In January, 1910, the area around what is now Foremost was opened for the filing of homesteads and soon attracted the attention of settlers. A post office was opened at Webber, two miles south of the present day Foremost, to serve the incoming settlers.

In 1913 the CPR announced that a railway would be built from Lethbridge to Weyburn, Sask. The steel reached Foremost in October of that year. With its arrival a new townsite was laid out and grew rapidly. The station was named Foremost and this was as far as the railway went for two years. When Foremost Post office was opened in 1914 that at Webber was closed. Foremost was incorporated as a village in 1953.

The people of Foremost claim that their community is the friendliest to be found, and this, with their will to succeed, has given the village its name-- "Foremost". (G. Tagg, The Western Producer, April 11, 1974). The above excerpt was taken from "Place Names of Alberta".

The first burial did not take place until 1930, that of an infant son of Mr. and Mrs. Austin. There are several older cemeteries in this area.

Records are held in the office of the Secretary-Treasurer, Town of Foremost, T0K 0X0. This cemetery was recorded by Judy Wasylenko in June 1983.

Omega-Gadsby Cemetery

SW26-038-17 W4

The village of Gadsby is on Highway #12. The cemetery is located just east of the village.

The Omega Circle, the women's organization which cares for this beautifully maintained cemetery, grew out of a Red Cross Club in the Omega School District.

Though settlement started in this area as early as 1904, the first burial in the cemetery was not recorded until 1910.

Mrs. Alison Scott of Botha has been treasurer of the Omega Club for 21 years. She kindly supplied a copy of the plot map and the numbering system for the cemetery. The recording was done by Mrs. Judy Wasylenko, AGS #1233. There have been 574 burials identified.

GEM MENNONITE CEMETERY

Location: NE24-22-17 W4

The village of Gem is located just off secondary road 862, about 23 miles north-east of Bassano. The cemetery is out in the country south-west of the town, in the County of Newell #4. Ask directions locally.

This land was bought in August 1930 from Peter Thiessen, by the Mennonite Brethren, who built a church on the north-east corner and a cemetery on the south-east corner of the property. In 1952 the church building was moved 2 or 3 miles closer to the village of Gem, but the cemetery remains.

The cemetery, lying on the south side of the road, is about 34 x 46 yds in size, and is fenced. There are no trees, so the wind blows free. The members of the Gem Mennonite Brethren Church look after their cemetery.

The earliest burial is that of Bennie Hamm, originally buried on a farm, and later transferred to the cemetery in 1931.

55 burials have been identified in this cemetery. The information from this record has been entered in the Alberta Genalogical Society Province Master Data Bank.

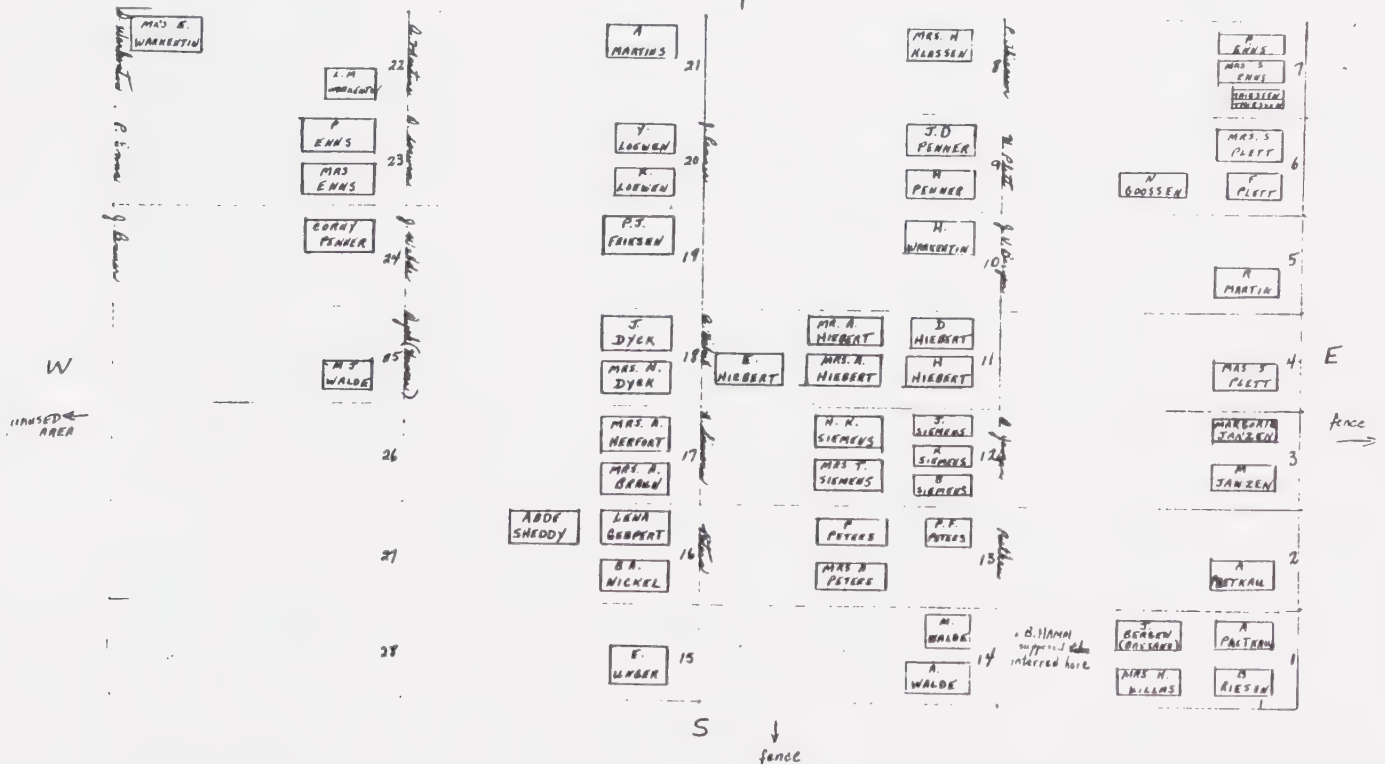

The preliminary research and field work for this recording have been done by Joyce McCune (A.G.S. #1203) and Betty Penner (A.G.S. #1693), autumn 1986.

MEMOIRS OF THE GHOST PINE HOMESTEADERS - 1954

The Ghost Pine district in Alberta lies near the junction of the Ghost Pine Creek and the Red Deer River. It includes several schools. The Orkney School District is in the south point of the Ghost Pine area. North of Orkney, bordering the river, is the Bay Coulee School District, named for the Hudson's Bay land on which the school is located. North of that again is Lumni, and then the south part of Greenleaf. In the middle of Ghost Pine is Sarcee Butte School, to the west Manor, and south of that Mr. Vernon.

The settlers, who were arriving steadily from 1904-1908, were the real Pioneers of the Ghost Pine Creek district. Two Englishmen Geoffrey and his chum Wilfred Ferry spent the winter of 1904 and 1905 filing on homesteads one a mile north of the other. In 1906 Wilfred and his brother Eustace established the district's first store and post office.

Others arriving in 1905 were the Hubards, Rupes, Art Davies and his cousin, Harold Powell. The Cameron family arrived in the spring of 1905 they included Hugh, his wife Flora, their son Alex (Sandy) and adopted daughter and a cousin Jack McIntosh. They were as Scotch in speech as if they had just landed, and of course, strict Presbyterians. In 1906 the Reeds, George Saunders, Huxleys, Dawns and the James Campbell families arrived. And also the bachelors such as Art Milan and George Andrews.

The settlers got together in 1908 to organize the first burial ground and church. The building committee consisted of Tom Rath, Fred Buckerfield, the Ferys, Johnsons, Ry Ball and many others. Christ Church (Anglican) was built in 1908 and consecrated by Bishop Cyprian Pinkham, Bishop of Calgary. The first burial was a child of Eustace Ferry in 1908 and the most recent burial was child Nicholas Reed who died March 1, 1984. The Reed and Cameron families are buried in this cemetery known as Ghost Pine Creek Anglican situated on the NW corner of NW 32-31-22.

Ghost Pine municipality was first called Roach. On January 1, 1913 the first councillor was Isiah Reed.

EMMANUEL ANGLICAN CHURCH
CEMETERY
GIBBONS, ALBERTA

NE¼-10-56-23-W4

From Provincial Archives Ed. 5/1 - Battenburg - Inside front cover of Anglican Church records. Emmanuel Church was built in 1905(06?), and the dedication service was held 10 March 1907 by Rev. A.D. Cheney, The vicarage was on SE¼-23-56-23-W4 (at Battenburg, 1 mile east of the present Gibbons and 1½ miles north at the railway trestle over the Sturgeon River). Formation of the Parish of Emmanuel, New Lunnon was formalized 3 Sept. 1901 by Bishop Pinkham of Calgary. There was also Post Office run by Mrs. Squarebriggs (formerly of P.E.I.) and a school.

Services were held in the home of Mr. and Mrs. Gibbons, Sr. until the new church at Battenburg (now called Gibbons Station) was ready. On 25 June, 1915 the C.N.R. offered to buy the church lot (SE¼-15-56-23-W4) for \$25.00. This offer was declined by the church warden. -- During 1934 it was proposed to move Emmanuel Church to Gibbons Station, that being more central. It was not until the following year that the church was raised from its foundation on 21 August and moved on the 22nd. Services were not held on 25 Aug. as the church was not yet ready for occupandy. (We thank Vicar Orlando James Roberts for writing this short history.)

Clergy who have served at Emmanuel Church: A.D. Cheney, 10 March 1907-27 Sept. 1908; W. E. Herbert, 15 Nov. 1908 - Sept. 1912; O. J. Roberts, Nov. 1912; Leslie D. Bachelor, -- 28 Aug. 1938; G. O. Schultz -- 11 Feb. 1940.

The cemetery was consecrated 9 July 1939 by Bishop Pinkham.

GILBY-KALMU CEMETERY -- NW20-040-03 W5

Tucked in the lush parkland setting, Gilby (known as Kalmu until 1950) was centrally located for the settlers in the horse and buggy days, for Rimbey was 13 km north, Bentley 20 km east, and Eckville 10 km south. The Gilby General Store and tiny church played a prominent part in the lives of this farming community. The cemetery is situated on a small hill about a mile west of the church and near the Medicine River.

A large plaque just inside the gate bears this inscription:

In memory of
Jaak Kinna
who in 1914 donated the
land for the
Gilby-Kalmu Cemetery.
Remembered by the
Medicine Valley Estonian
Society in 1980.

The deed for the cemetery land was turned over to the municipal administration 08 September 1914. The community appointed a cemetery committee and for many years the records were kept at the General Store. In the early thirties the store had a fire and the records were burned. The Committee asked all the residents to try to recall the names and locations of those interred in this cemetery. As a result, the plot-plan was reconstructed and officially surveyed in November 1965.

The earliest recorded burial in the cemetery is May Brown in 1914, and George Wall was also buried the same year. The oldest person recorded as interred in this cemetery is Trans Erik Ohde, at age 109 years. The early registers also noted cause of death, but not incld in this recording.

Mr. Art Mottus was very helpful in allowing the use of the records and in providing a brief history of this cemetery.

This cemetery was recorded by the Rodgers family -- Ronald, Maxine and Rhonda -- members of the Red Deer Branch of the Alberta Genealogical Society.

Three hundred and fourteen burials have been identified in this cemetery.

Glory Hills Alliance Cemetery (formerly Baptist)

NW18-053-27 W4

GLORY HILLS BAPTIST (ALLIANCE) CEMETERY
NW18-053-27 W4

When the early settlers first came to the Glory Hills (three or four miles north of the present town of Stony Plain), a community church, serving several faiths, was established on the corner of the Fifth Meridian and the road now known as Highway 16X. A few years later (1907) Rev. Andrew Wolfe lead the Baptists from this congregation to form their own church, about a mile east of the community church. By about 1910 or 1911 the little congregation was on the move again -- this time to a site on NW18-053-27 W4, on land donated by Rev. Mr. Wolfe's son-in-law, Andrew Jespersen. Though a cemetery had been established in the churchyard at the community church the Baptist congregation felt the need and established its own burying ground in the new churchyard.

In more modern times local populations have grown, the church building has been removed from the churchyard and cemetery in the Glory Hills, and even the denomination has changed -- the community church long ago chose to affiliate with the Christian Reform cause, the Baptist cause faded and the Alliance Church has taken over the use and maintenance of the Glory Hills Cemetery -- though it is still shared with the original Baptist families.

Information for this history has been supplemented from 'Glory Hills Baptist Church', an article published in 'Along the Fifth - A History of Stony Plain and District'.

Fifty nine burials have been located, and fifty five have been identified. We wish to acknowledge the co-operation of Mr. Ivan Jespersen in providing access to written burial records. The field work in recording this cemetery was done by Laurel Meyer and Enid Fitzsimonds.

The cemetary is now a pleasant community burial ground, maintained by volunteers.

HOPE CHRISTIAN REFORMED CEMETERY (Glory Hills)
SE-13-53-1-W5

This cemetery is located 2 miles north of the Town of Stony Plain on the north side of the Yellow Head highway.

The people that first settled this area were known as "Germans from Russia". Most of the families came from the Volga river village of Norka in Russia.

The information in this publication was compiled from the grave markers, the burial register and the plot plan of the cemetery.

The land for this cemetery was donated by a Mr. Giebelhause in 1909. The burial register begins with the burial of Elizabeth Weber 4th of March 1909. From oldtimers we learned that already a few burials had taken place at a previous site a half mile south of the present location, but these were later reinterred at the new cemetery. The burial register does not list these earlier burials or reinterments.

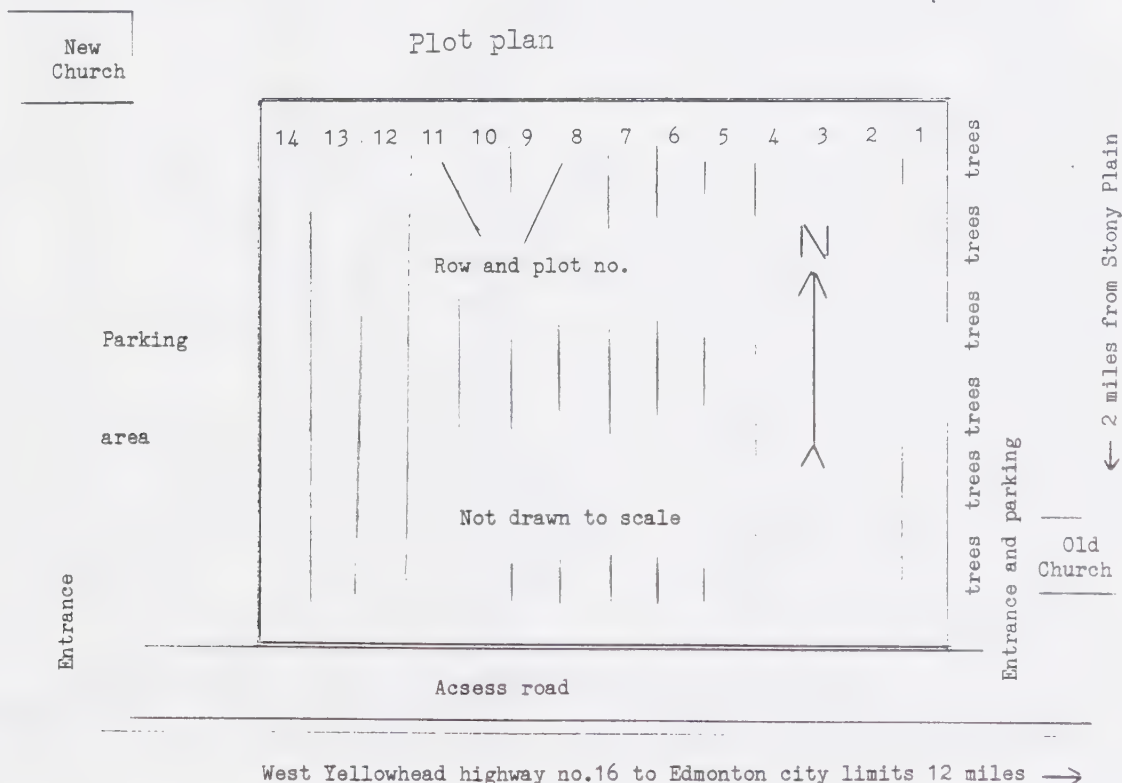

The first burial listed in this publication is Diana Witmer whose grave marker shows she died at the age of 6 months on 8 Nov 1906.

We wish to thank the cemetery caretaker, Harry Schwindt of Spruce Grove for the assistance given in the checking of the records and providing information on the history of the cemetery.

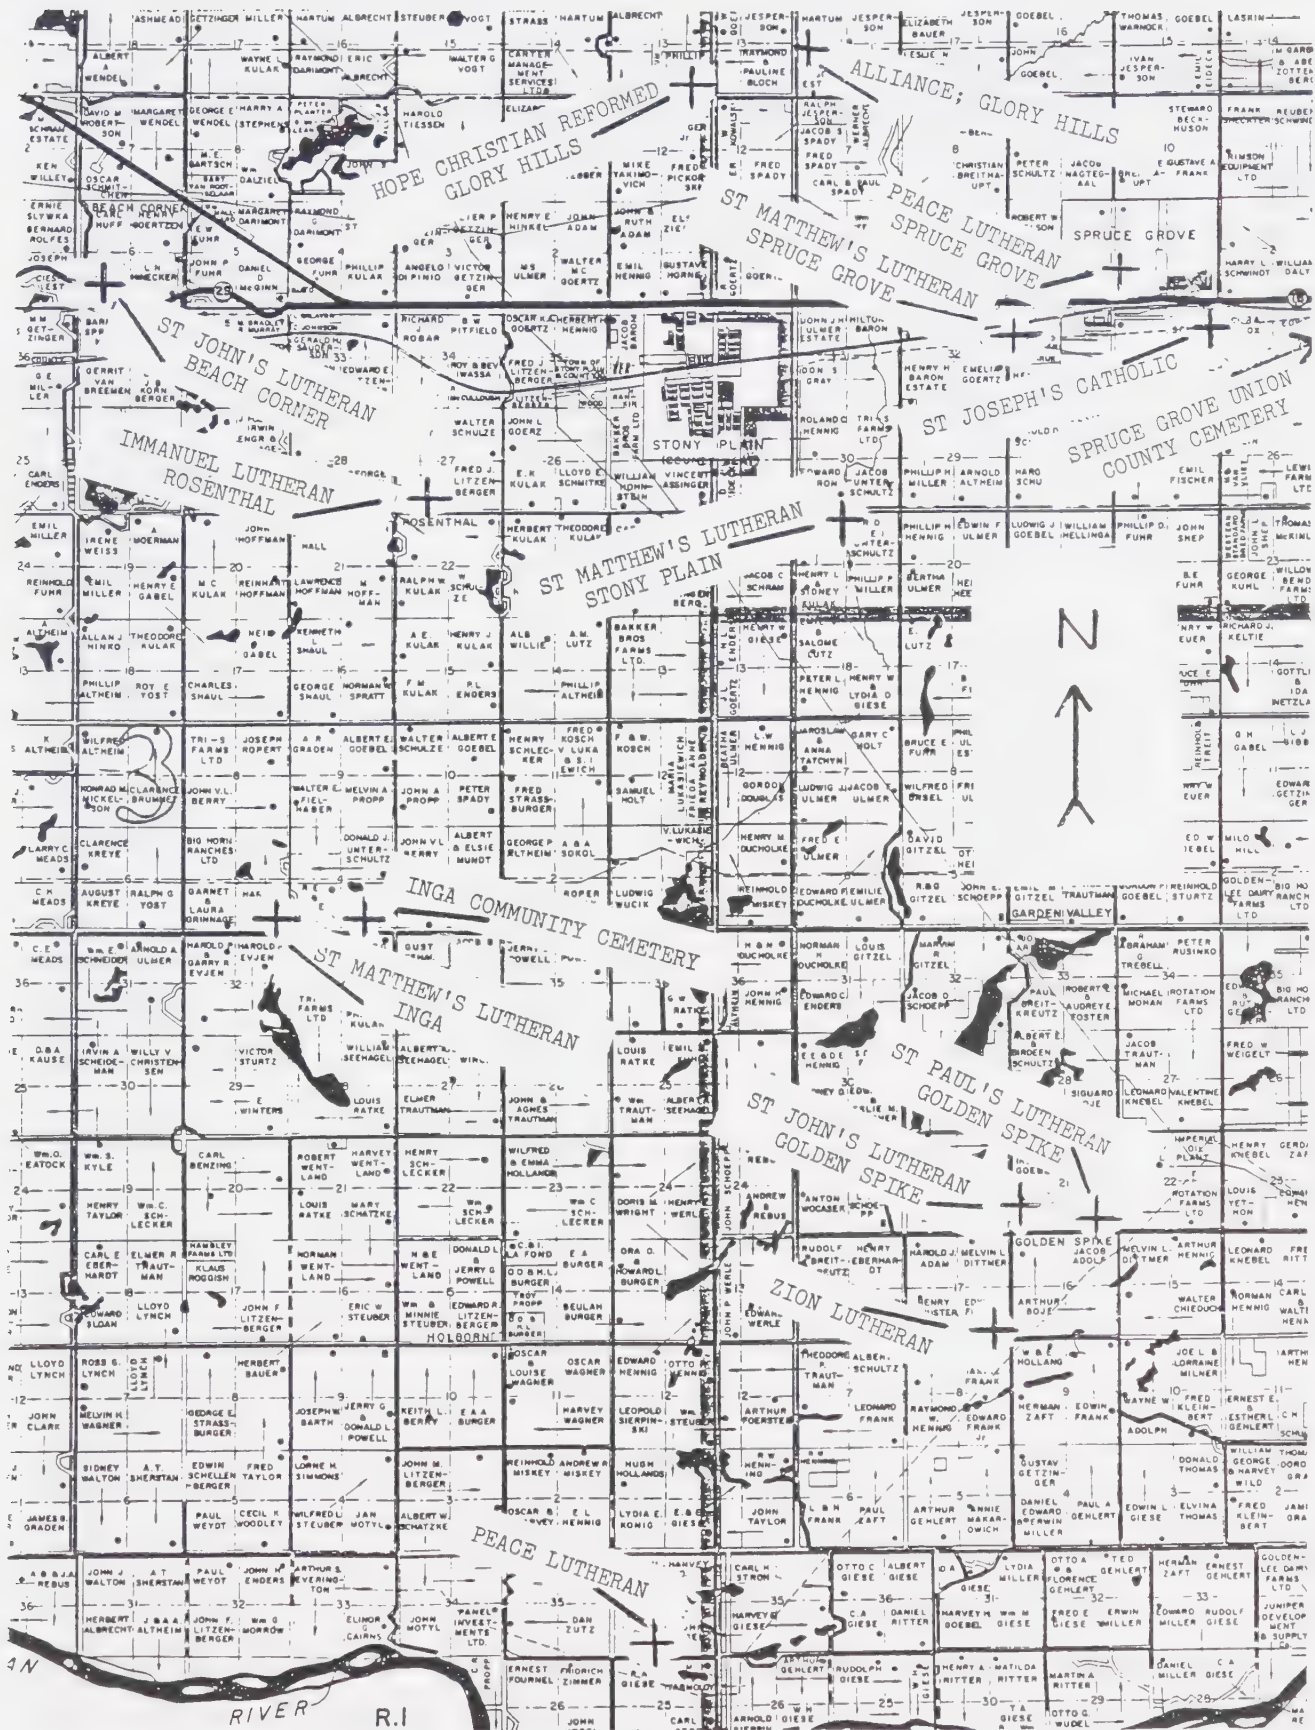

Two local history books provide further information about the area and the people. These are "Along The Fifth", and "One of Many" by Reuben Bauer.

The recording of this cemetery was done on 8 Nov 1983 by Peter and Rose Goutbeck of the A.G.S. (Edmonton branch).

222 burials have been identified in this cemetery.

HALKIRK CEMETERY -- SE26-038-16 W4

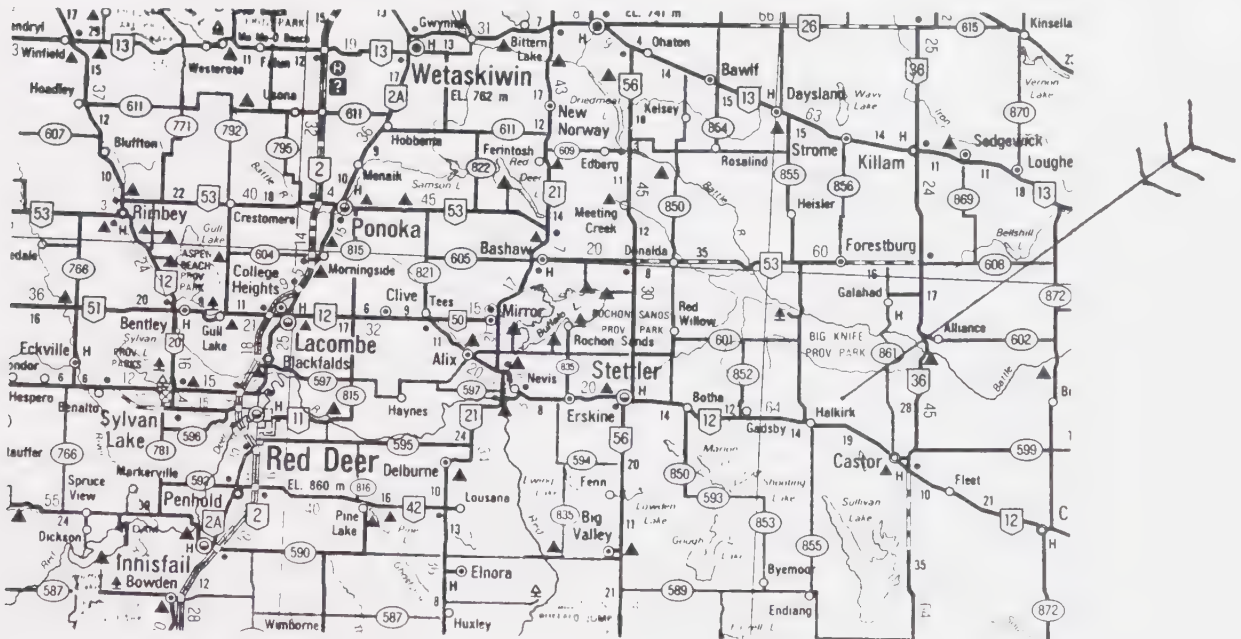

The village of Halkirk is located about forty km east of Stettler on Highway 12 on the edge of the prairies in east central Alberta. The land in the general vicinity was largely homesteaded in 1905 and 1906. The village began to build in 1909, with the imminent arrival of the railroad.

In May 1912 an application was made to the Hudson's Bay Company for a grant of five acres for a cemetery, to be located on the south east corner of SE26-038-16 W4 (two miles north on Highway 855 and one mile west of Halkirk).

Some of the old timers' names known to the area are: R. J. Ferguson, Mrs. E. R. Underwood, H. E. Higgins, P. R. Chatham, W. B. Dunlop, Mrs. DesJardine, Victor Ronald, Harry Stewart, Rasmus Peterson, Raymond O'Keefe, Mrs. Harry Duncan, Harry Schilling, Albert Mulford, Charlie Phillips, Bruce Laing, Albert Derr, W. L. Fulton.

The sources of the information for the above historical notes have been the 'Castor Illustrated Annual (1910)' and the local history book 'From the Big Knife to the Battle (1979).

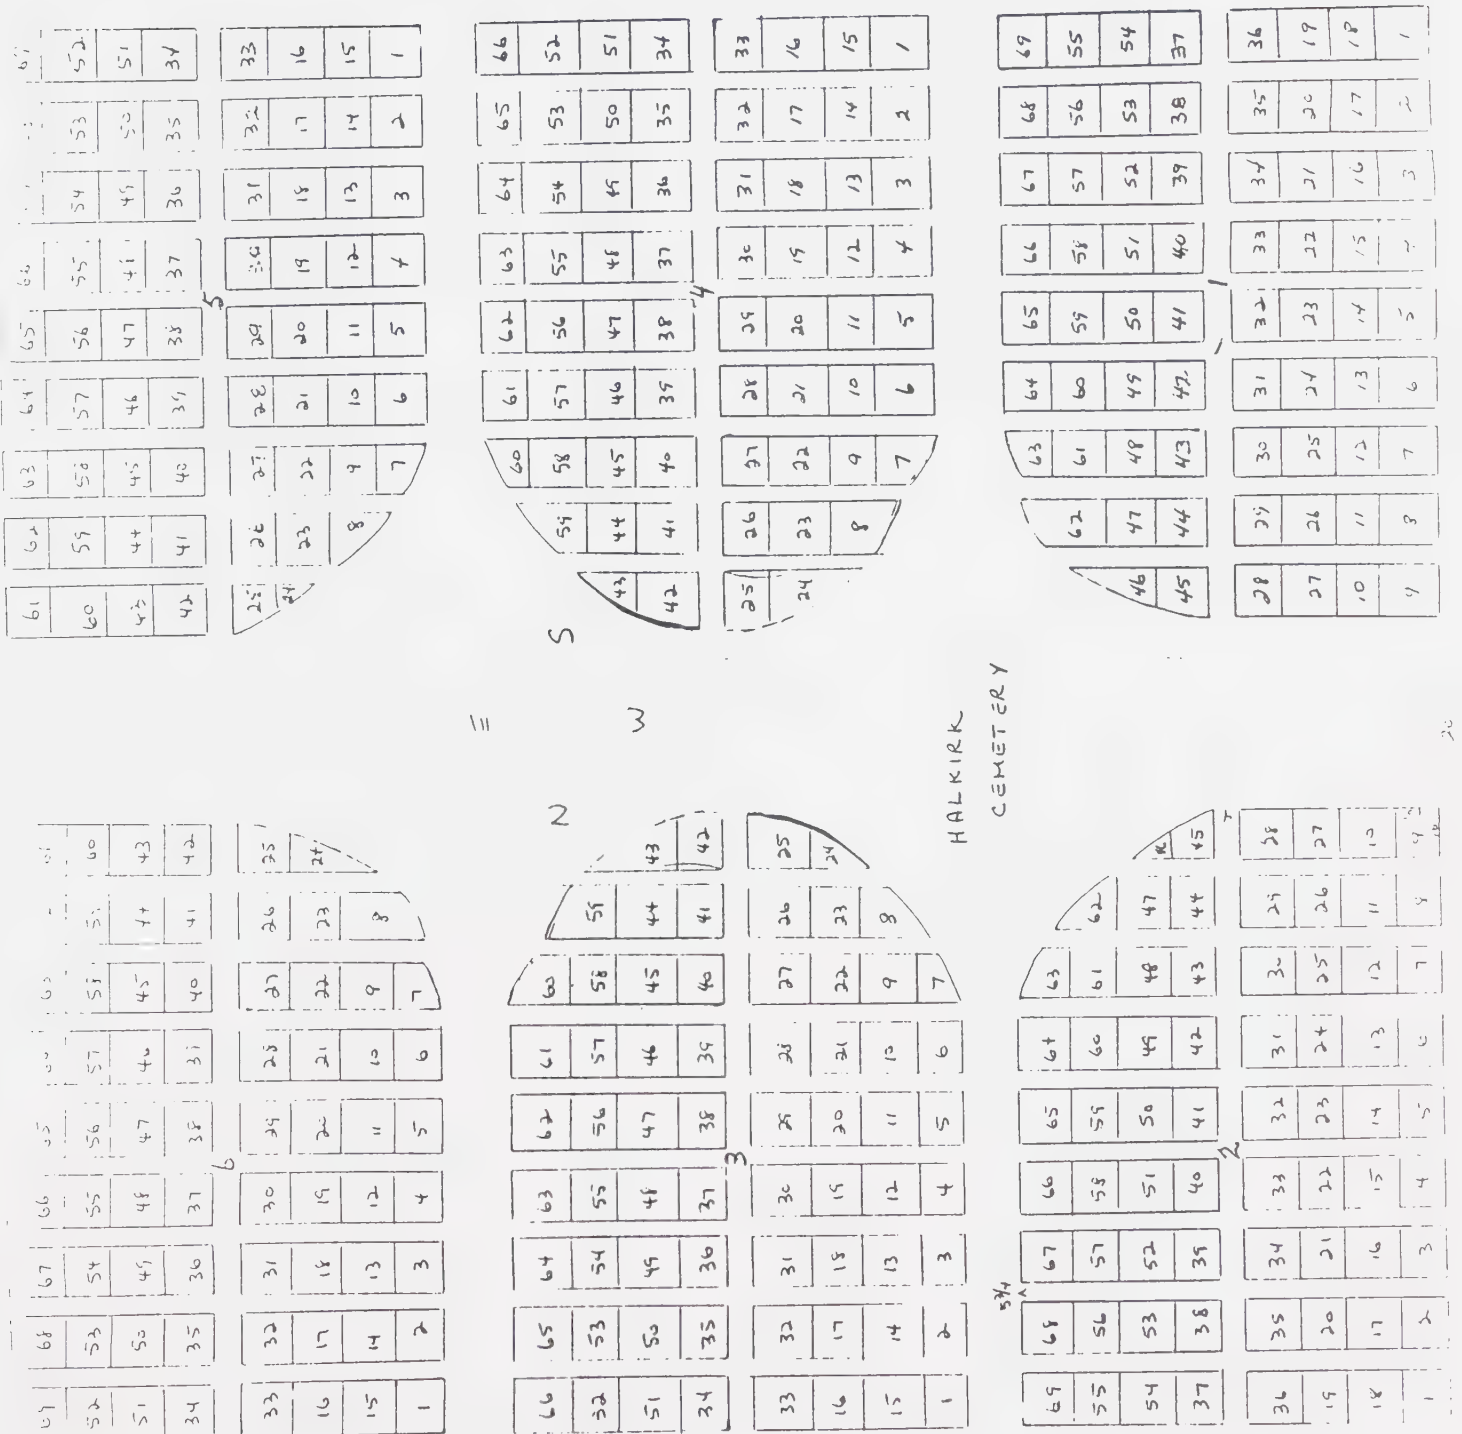

The research for this cemetery recording was done by Judy Wasylenko (AGS #1233). Two hundred and thirty six burials have been identified. This information has been included in the Alberta Genealogical Society Master Data Bank.

HANNA CEMETERY Old and New Sections

This cemetery is located approximately 1 mile north of the town of Hanna. This cemetery is actually on two separate quarters, the old cemetery being on the north and the new part on the south. The upkeep on this cemetery is done by the town of Hanna.

The first burials in this cemetery, as listed in this publication is John Maclead Stirling, and William James Esler, both in 1909. Ten burials are shown for 1991, the year this recording was done. Two thousand one hundred forty four names are listed in this publication for the Hanna cemetery.

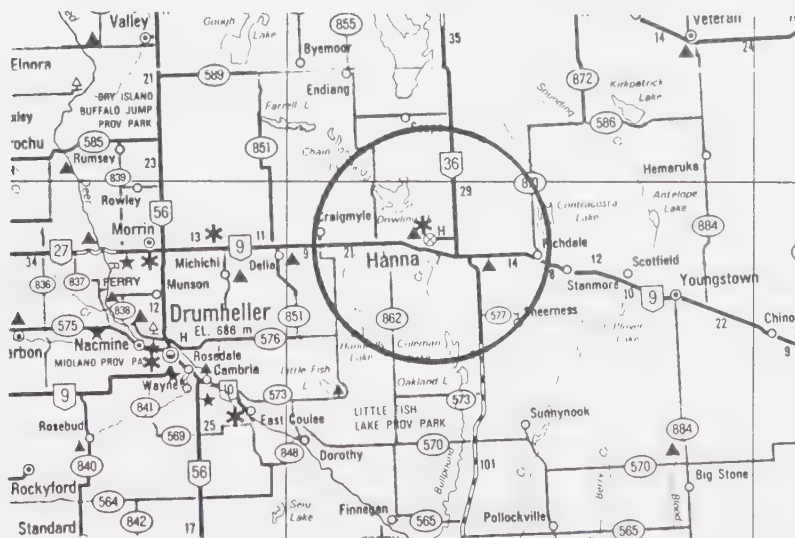

1530

ST GEORGE'S CATHOLIC CEMETERY NW-16-31-14-W4

This is also about a mile north of the Town of Hanna, but on the next quarter, west of the above new Hanna cemetery. The Hanna Town also look after the maintenance of this cemetery.

The earliest death recorded was a grandmother, Julia Keirnan June 1910. Records show she was interred in 1928, - probably first buried elsewhere. The latest burial as listed in this publication is Robert Stewart in 1989. One hundred sixty one names recorded for this cemetery.

ALLIANCE CEMETERY
near **ALLIANCE, AB**
NW-11-40-13-W4

This cemetery of 335 burials can be found at the south-eastern outskirts of the town of Alliance which is 207 km south-east of Edmonton.

The cemetery was recorded in 1974 by Mrs. Phyllis Alcorn and Mrs. Carol McDermott, and first published in the Alberta Genealogical Society's quarterly publication "Relatively Speaking." No updating has been done on this cemetery since 1974.

One burial is listed for 1888, however this seems to be an error that has to be checked out, as the next earliest burials are in 1918, when the cemetery is most likely to have started.

HIGH MOUND CEMETERY
near HARDISTY, AB
NE-22-41-10-W4

To locate this cemetery drive 2 miles south and 3 miles east of the intersection of Highways 608 and 872.

This cemetery was registered as a private cemetery October 10, 1918 and named High Mound as it is situated on a hill overlooking a peaceful valley.

The majestic spruce trees that surround the cemetery were planted by Olaf Nelson who had a great love of nature.

A large number of homesteaders came to this area south of Hardisty from Clinton, Missouri in the spring of 1907. Among these settlers were Will Lambright and his wife, his brother Daniel and family, also Jim Hays who married Belle Lambright (Daniel's daughter) and Charles Jarvis who married Daniel's daughter, Susie.

When scarlet fever and diphtheria broke out in the district in 1909, several children died in the community. Among the first victims were Dela May Lambright (April 1909, age u\k), Alice Elizabeth Hays (May, 1909, age u\k) and Emmit Daniel Jarvis (1909, age 10 months). Since there were no cemeteries close by, Will Lambright donated one acre on the corner of his homestead. Jim Hays helped to survey the land and after the death of Will (August 1918) he took over as Secretary Treasurer until August 2, 1966 when due to failing health his daughter Ruth More took over. She held this position until March 28, 1990 when it was then passed on to Jim Hays' great grand-daughter Debbie Overman.

A total of 56 burials have taken place as of 1990.

The up keep is done by families of the deceased on an annual basis, selecting a nice summer day to plant flowers, trim the grass and to perform other beautification tasks such as painting and minor landscaping. The day is completed with a social evening including a pot luck supper.

Cemetery recording done by Jean Klohn of Edmonton in 1990.

BATTLE BEND and NEUCHATEL CEMETERY
near ALLIANCE, AB
NW-12-40-11-W4

This cemetery is located 2 miles west of the intersection of Highways 872 and 602, about 13 miles east of Alliance.

The Battle Bend and Neuchatal Cemetery Company was organized by local farmers in June, 1918. A quarter of an acre of land was donated by Mr. Livingstone for a cemetery and a further one and three quarter acres were purchased for seventy dollars. William Bruce was appointed to act as Secretary and George Lear, O.M. Thoen and William Leggett as a committee to canvas the district for donations.

In July 1918, William Leggett, Mr. Widlake and Mr. M. Gollan were selected as the first officers for the company. Mr. DeLury was asked to survey the cemetery land so plans could be made and the area fenced.

The present caretaker of the cemetery is Ernie Van Hecke.

The first interments are listed as Mrs. Livingston and Orin Livingston in January, 1918. The last interment was in 1993. The total number of listed interments are 124.

Cemetery recorded by Peter and Rose Goutbeck of Fort Saskatchewan in August, 1993.

old ST. MARKS CEMETERY and HARDISTY GENERAL
at HARDISTY, AB
NW-25-42-10-W4

The above cemeteries are side by side, situated about one kilometre south of the townsite of Hardisty on Highway 13. They overlook the Battle River Valley 1/2 kilometres west of the bridge. Together they contain an area of 8 acres. Both are surrounded by a hedge and metal fence with two entrance gates. The cemetery names are not posted.

The land was originally owned by the C.P.R. The first listed interments were that of Angus McKAY at St. Marks in May 1906, plot # E-14, followed by Catherine OXFORD as the first in the Hardisty General in 1910, plot # A40. A total of 913 interments have taken place in the two sections of this cemetery.

The original St. Marks Cemetery's caretaker was the Anglican Church. However over the years, due to a number of circumstances, such as the decline of the family farm, movement of people to metropolitan areas, lack of volunteer help and rising financial costs, this cemetery was taken over by the town of Hardisty. At that time the two cemeteries became one, now known as the Hardisty General and is maintained by the town.

South of Spruce Street and north east of the lake, there are three depressions side by side in a wooded area. Larry Clark recalls in 1940 of seeing these depressions and the story from elders in the area was that there were three people buried at the location. There is no record of who is buried in these graves, but some believe one could have been Walter SMALL. He was a Postmaster of Hardisty, who died June 2, 1908, at the age of 39. The other two may have been of native origin. REFERENCE: Hardisty Enterprise, pages 1 and 3, and a letter and map, dated November 29, 1990 from Larry Clark to Jean Klohn.

Another person (identity unknown) was buried some years ago on land which is presently the site of the Mohawk Service Station. This business is now owned and operated by Francis Grainger, on lot 10, east of Highway 881.

These sites are now within the town limits, but are not listed in their cemetery records.

There is no doubt that a number of people died in early days who were not buried in the town cemetery or their deaths not recorded.

Pat HOGAN, an early Hardisty area settler whose is buried in the farm yard where Cliff Nokleby lived (SE-36-41-10-W4), about 12 kilometres south of Hardisty. The year of his burial is unknown, and while his name is not listed with any other surrounding cemeteries, we have added his name in this publication under this cemetery. The Battle River Bridge Tragedy.

REFERENCE: Hardisty Enterprise, April 23, 1908. Tragedy struck April 16, 1908, when 4 men, all residents of Hardisty, were drowned crossing the Battle River on their way home from work. They were building the Battle River Bridge and were crossing the river when a cable broke taking three men into the water. Woodford REDMAN (from England) jumped in to save one of the men when a current swept him under. The three other men that drowned were Joseph (Joseby?) KIRBY a Hardisty homesteader, A. LaMASSE from St. Boniface and E. LEWIS from Cambrae, France.

Their bodies were swept downstream and were never found. The town of Hardisty has a record of these deaths, but they were not listed in the cemetery records as the events occurred before any cemetery was official. We have added these names to the listing in this publication.

BETHLEHEM LUTHERAN CEMETERY
NE-23-48-20-W4

The cemetery is located about 14km north of Camrose. It can be reached by taking Secondary Highway 833 north of Camrose for 10.5 miles(13.7km) to an east-west municipal crossroad. Go east for 1 mile(1.6km) to the next municipal cross road. The cemetery is on the south-west corner of the intersection.

Settlers in the area were largely Lutherans of Norwegian descent. In 1905 they organized the Bethlehem Evangelical Lutheran Church. In 1908, a four acre site for a church and cemetery was chosen on high land on the north-east corner of NE-23-48-20- W4. A church was built in 1910. It was remodeled in 1947, and was destroyed by fire in 1970. Then the congregation disbanded.

A Cemetery Association was formed to operate and maintain the cemetery. A chain link fence was built to enclose the grounds.

The cemetery was recorded on 7 June 1990 by the Recording Committee of AGS, Edmonton Branch. A sketch of the layout of the cemetery was made at the same time. Peter Goutbeck copied information from the Pastors Records for Bethlehem Lutheran Church of Pretty Hill, Alberta. Information was copied from a pieced together cemetery register.

Also, Robert Mickelson, Secretary of the Bethlehem Cemetery Association, provided a few historical notes and made available some cemetery plot information.

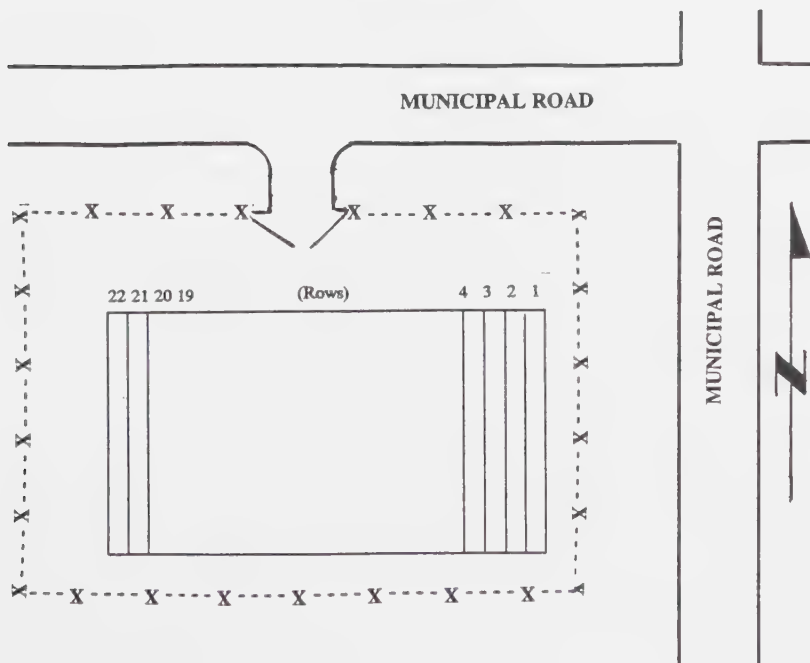

The information in this publication indicates that the first burial in the Bethlehem Lutheran Cemetery was that of Daniel P. Haraldson on 19 April 1906. The last burial was that of Olive Albert R. Thronkson in 1987.

FELLOWSHIP BAPTIST (GERMAN) CEMETERY
SE-14-47-21-W4

The cemetery is located about 8km north-west of Camrose. It can be reached by taking Highway 13 west from Camrose to the junction with Highway 21. Go north on # 21 for 3 miles(4.8km) and the cemetery is to the west side of the highway.

Some German-Russian families moved to the area east of Bittern Lake early in the century. In August of 1907 a church building was dedicated. The church name changed from East Bittern Lake Baptist Church to Camrose Baptist Church, and then Bethany Baptist Church. Finally a new church was purchased in Camrose which was given the name of Fellowship Baptist Church.

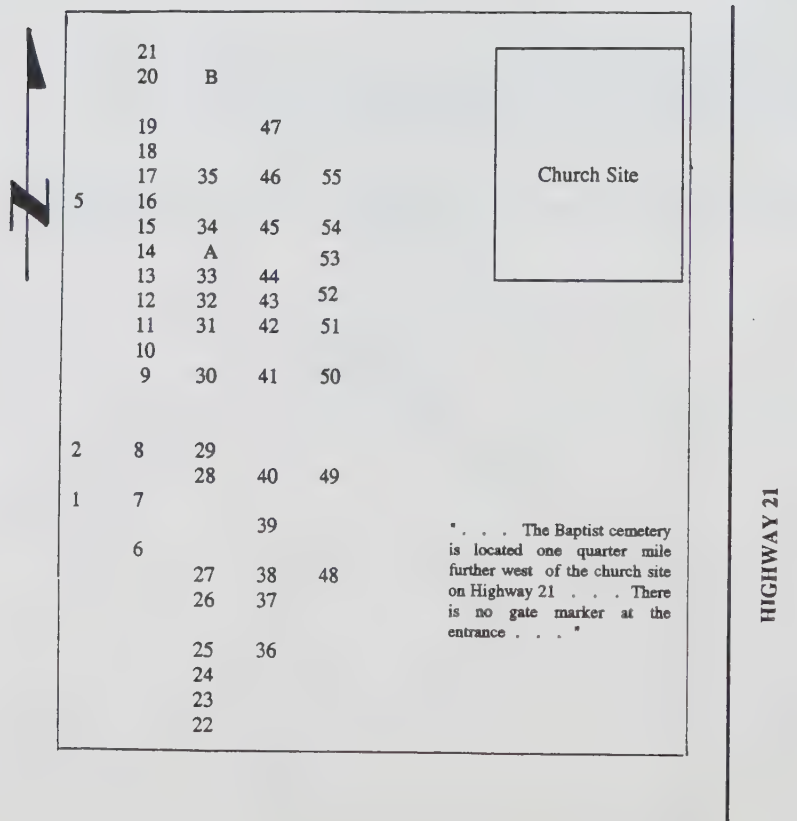

The cemetery is located 1/4 mile(0.4km) west of the church site on Highway 21. There is no gate marker at the entrance, but the site is well maintained. The caretaker (1981) is Mr. Edwin Schmidke.

Information was taken from "German Baptist Cemetery Near Camrose," by Betty Leonhardt. It included a sketch of the cemetery layout, and a listing of information from the grave marker inscriptions. There are only two unmarked graves and information for them was provided by Mr. John Fetzner and Mr. Phil Link. Also helping with the recording was recording by George Soderstrom, Edwin Schmidke, and Letha Bertschi.

The information in this publication indicates that the first burial in the Fellowship Baptist Cemetery was that of W.J. Mundt in 1900. The last burial was that of Colin Waterston in 1981.

THE CHRISTIAN CHURCH CEMETERY
SE-10-49-21-W4

The Christian Church Cemetery is located about 23km north-west of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. Go north on 21 for 9.1 miles(14.7km), turn north on a municipal road and continue for 4.75 miles(7.7km). The cemetery is to the west side of the road.

At an organizational meeting on Oct. 23, 1910, it was decided to form the Swan Hill Church Society. The first president and secretary were Anton Pearson and J. Amandus Pearson. One and a half acres of land on SE-10-49-21-W4 were purchased from Anton Pearson to be used for a cemetery and church yard. A committee of three (E.W Eriksson, Gustave Edvall, and Jonas Sandquist) was elected to look after the cemetery, which started the following spring.

The Swan Hill Church Society was formed and church services were held in homes. In 1915 there were plans to join the St. Joseph's Church congregation in building a church on NW-15-49-21-W4. The Swan Hill Church Society became the Christian Church Society in 1918. By 1946, the Christian Church decided to sell their share of the church to St. Joseph's congregation.

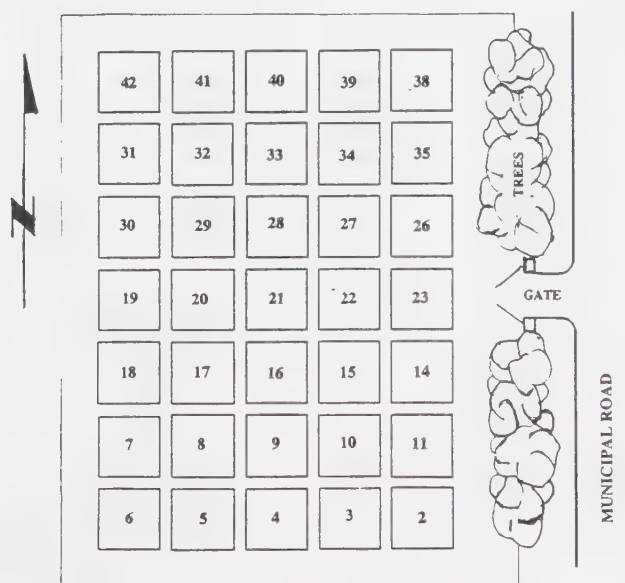

In 1975, the cemetery was restored, using a \$500 grant from Alberta Culture. The cemetery is still in use. It is maintained by people who have family members interred there.

The cemetery was recorded on 7 June 1990 by the Cemetery Recording Committee of AGS, Edmonton Branch. At the same time, a sketch was made of the layout of the cemetery. Helen Hiebner provided much of the vital statistics and genealogical information for this cemetery. Information was also copied from Death Certificates, Burial Permits, Register of Marriages, Register of Deaths and Funerals.

The information in this publication indicates that the first burial in the Christian Church Cemetery was that of Julia Edvall in 1910. The most recent burial was that of Wallace W. Watkin in 1989.

For more details about the area, see "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area, 1982."

WILHELMINA EVANGELICAL LUTHERAN CEMETERY **SE-12-49-21-W4**

The cemetery is located about 21km north-west of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. Go north on 21 for 6.15 miles(9.9km), then go east for 1 mile(1.6km) and north for 7 miles(11.3km), on municipal roads. The cemetery is on the west side of the roadway.

In 1902 a congregation called Fridhem Lutheran was formed some ten miles south-east of the Wilhelmina community. On November 7, 1908, a meeting was called at the home of E.V. Erickson, to organize the Wilhelmina Congregation. It was called the Swedish Evangelical Lutheran Congregation. Many of the settlers in the area had emigrated from Vasterbotten, in northern Sweden.

On Sept. 24, 1909, it was decided to buy four acres of land from P.A. Forsen, for a church site and cemetery. Construction of the church started in 1912, and was completed in 1919. In the early 1960s the Wilhelmina and Fridhem congregations disbanded. In 1966, the Wilhelmina church was re-opened and affiliated with the New Sarepta congregation.

A plan for the cemetery layout was drawn up by Harold Person and approved by the congregation. The cemetery caretakers were as follows:

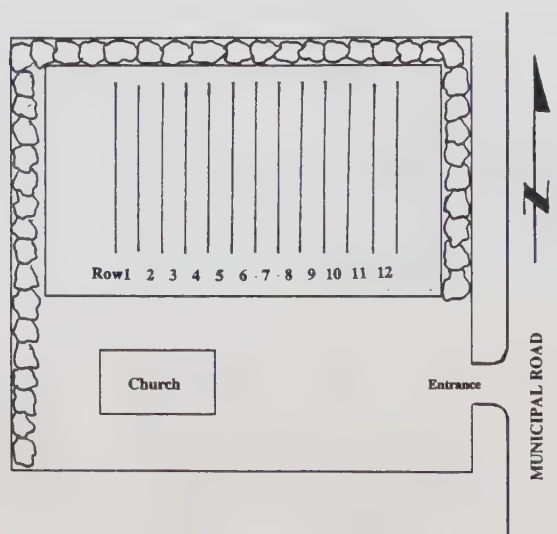

First	Harold Person
1928-1933	Oscar Swanlund
1934-1938	Hans Johnson
1939-1959	John Person
1960-1978	Albin Person
1979-present	Richard Knull

The cemetery was recorded on 7 June 1990, by the Cemetery Recording Committee of AGS, Edmonton Branch. Information was taken from the grave markers and a sketch was made of the cemetery layout.

The information in this publication indicates that the first burial in the Wilhelmina Cemetery was that of Ernest S. Johnson in 1903. The most recent burial was that of David Olson in 1989.

For more details about this area, see "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area, 1982."

ST. JOSEPH'S CEMETERY
NW-21-49-21-W4

The cemetery is located about 27km north-west of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. Take 21 northward to the junction with Secondary Highway 623. Go east on 623 for 5.5 miles(8.9km). The cemetery is on the south side of the highway.

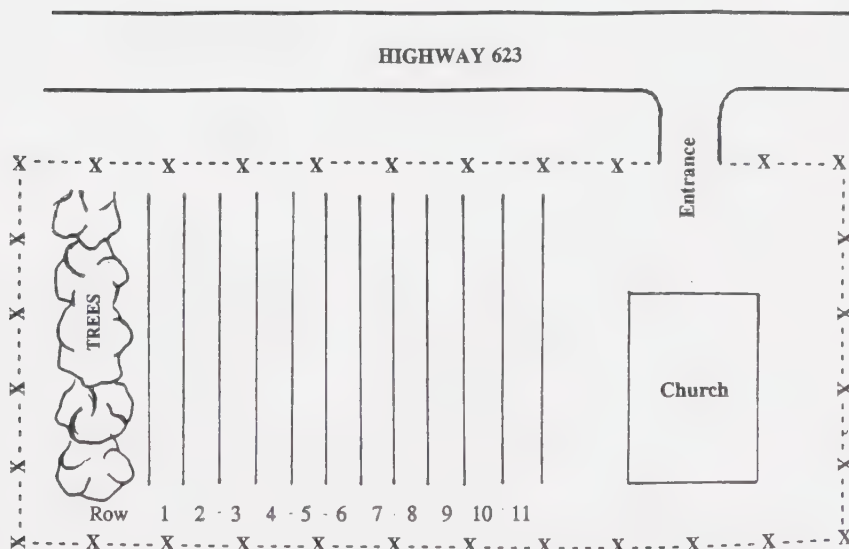

The St. Joseph's congregation was formed in 1908. Services were held in homes until 1913, when a church was built jointly by the Swedes and Norwegians in the area. The Nordin and Lofgren families donated land in NW-15-49-21-W4 for a church site. Later, the Swedes sold their share to the Norwegians, and in 1948 the church was moved to NE-21-49-21-W4. Here the land for the church and the cemetery was donated by Anton Sware. The historical information comes from "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area."

The cemetery was recorded on 7 June 1990, by the Cemetery Recording Committee of AGS, Edmonton Branch. A Sketch of the cemetery layout was made at that time. Vital statistics and other genealogical information was supplied by Helen Hiebner. Also, information was copied from Pastors Records, Burial Registers, and Burial Permits.

The information in this publication indicates that the first burial in St. Joseph's Cemetery was that of Anna Hanson, 1904. The most recent burial was that of Neil Albert Johnson, on 21 September 1989.

HOLY CROSS UKRAINIAN CATHOLIC CEMETERY
SE-14-48-22-W4

The cemetery is located about 21km north-west of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. Go north on 21 for 6.2 miles(10km) to an east- west municipal road. Go west for 5 miles(8.1km), north for 2 miles(3.2km), then west again for 1 mile(1.6km), on municipal roads. The cemetery is on the north-west corner of the crossroad intersection.

In 1907, Father Paul Kulawy, a Roman Catholic priest, served Round Hill and the surrounding communities, including Hay Lakes. Services were held in different homes. In 1910, the Roman Catholics and the Eastern Rite Catholics (who were Ukrainians) decided to build a church in the Ellswick area. Matthew Shawaga donated two acres on SW-18- 48-21-W4, for a church and cemetery. A small church was built and used by both congregations.

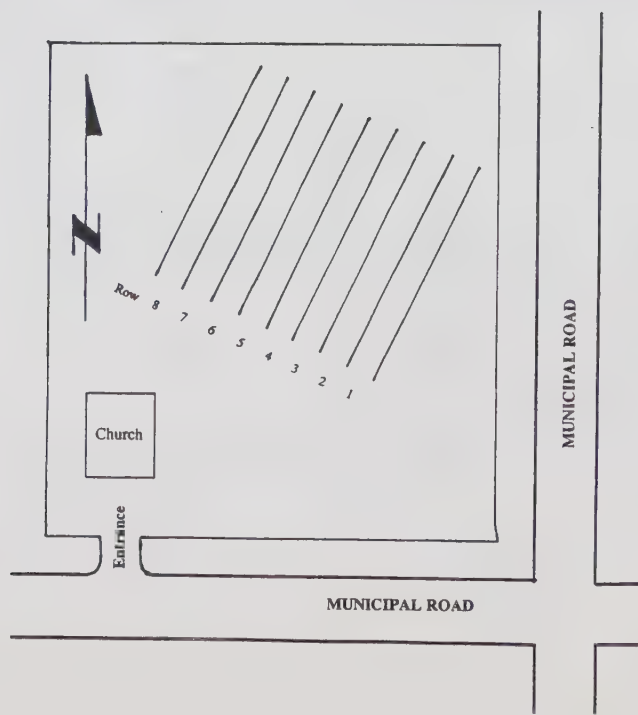

In 1921, the Eastern Rite congregation built their own church on SE-14-48-22-W4. The land for a church and a cemetery was donated by Mr. Nicholas Maruschak. It was 1929 before the church was completed and painted inside and out.

The cemetery was recorded on 7 June 1990, by the Cemetery Recording Committee of AGS, Edmonton Branch. A rough sketch of the cemetery layout was made at that time. Other burial information is published in "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area." Yet another source of genealogical information is the chart produced by Helen Hiebner.

The information in this publication indicates that the first burial in the Holy Cross Cemetery was that of John Radawetz, in 1918. The most recent burial was that of Joanna Chomica, on 12 January 1986.

For more details about this area, see "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area, 1982."

ST. PETER AND ST. PAUL CEMETERY
SW-18-48-21-W4

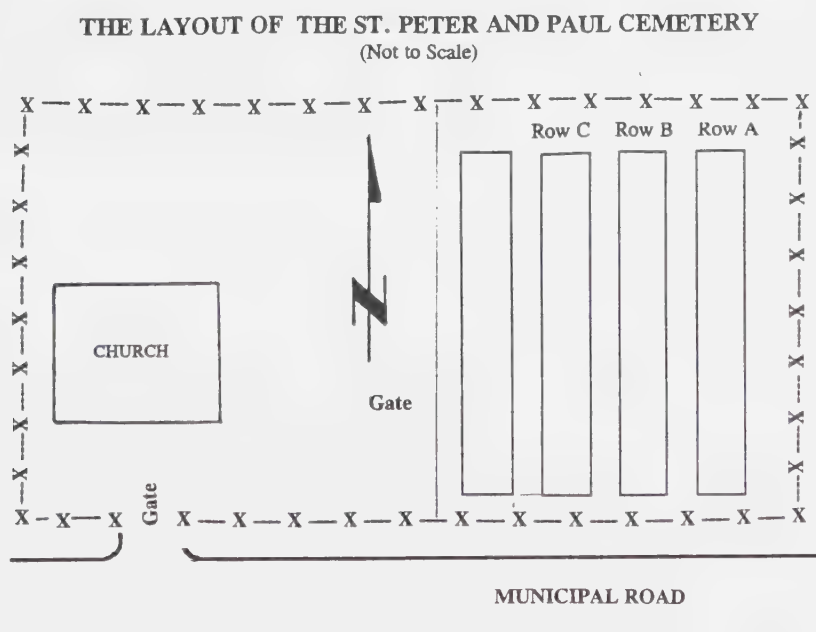

The cemetery is located about 19km north-west of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. Go northward on 21 for 8.2 miles(13.2km), to an east-west municipal crossroad. Go west on the municipal road for 4.2 miles(7.7km). The cemetery is on the north side of the roadway.

Some of the settlers who came to the Hay Lakes area in 1901 were from the part of Galicia that is now Poland and Ukraine. At first the Catholic community was served by Father Bellevaire, from the mission at Duhamel. Land was purchased for a church site, in 1908. The first St. Peter and Paul log church was built jointly by the Roman Catholics who were mostly Polish, and the Catholics of the Eastern Rite who were the Ukrainians. After a short time, the Ukrainians built their own church. The Roman Catholics used St. Peter and Paul up to 1957, when a new church was built beside the old one. The new church was dedicated on June 29, 1960. In 1971, St. Peter and Paul became a mission of St. Francis Xavier Parish in Camrose.

This publication has used the recording information obtained by members of AGS, Wetaskiwin Branch, which in turn was based on information from grave markers, as well as from the plot plan and the Parish records. More information was taken from the work of Helen Hiebner, who has charted much genealogical data for this cemetery. Another source was the death and burial information published in "Each Step Left Its Mark: A History of Hay Lakes and Surrounding District, 1982."

The information published in this present publication indicates that the first burial in the St. Peter and Paul Cemetery was that of Tillie Wawzinkewich, in 1907. The most recent burial was that of Jennie Schurek in 1985.

For more details about the area, see "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area, 1982."

OUR SAVIOR LUTHERAN CEMETERY
NW-02-49-22-W4

The cemetery is located about 27km north-west of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. Go northward on 21 to the junction with Secondary Highway 617. Continue on 21 for 2.5 miles(4.0km), then go north for 0.5 miles(0.8km) on a municipal road. The cemetery is to the east side of the roadway.

According to information that was handed down, the first burial grounds in the district was started on the homestead of Gottlieb Werner (SW-10-49-22-W4), about 1903. About 1906, Karl Mittelstadt donated an acre on the south-west corner of NW-2-49-22-W4, for a cemetery. The burials from the first site were transferred to the second cemetery location. In 1918, St. Stephen's Lutheran Church was built on a two-acre site, on the south-east corner of SE-03-49-22-W4. The first funeral service from this church was for Karl Mittelstadt, who was killed in a wood-sawing accident in March 1919.

The cemetery was divided into an adults area and a childrens area. For many of the early burials, there were no proper grave markers. In 1954, an effort was made to have all graves properly marked, and a cemetery map was made. In 1957, part of the childrens section was levelled and a large grave marker was erected bearing the childrens names.

In the forties, St. Stephens and St. Lukes purchased one acre from August Rost to enlarge the cemetery. In 1962, the two congregations amalgamated. The old St. Lukes Church in Hay Lakes was moved and a new church was built on that site. The new church was called Our Savior Lutheran Church. St. Stephen's Cemetery was renamed Our Savior Lutheran Cemetery of Hay Lakes.

Poplar and willow trees were removed, and replaced with spruce and pine. A new fence was erected on the west side and concrete gate posts, a steel gate, and a steel sign were added. The original tamarack cross, built by Gottlieb Werner in the center of the cemetery, was replaced by a large fir cross built by Henry Zucht.

The cemetery caretakers, from past to present, were August Rost, Edward Tober, Oscar Mallas, and Erwin Lachman. Volunteers from the congregation have two work bees each summer to maintain the cemetery. In 1979, an Alberta Government grant was used to mark all unmarked graves. Cemetery business is presently managed by the following board:

Chairman - John Groeller
Secretary and Caretaker - Erwin Lachman
Directors - Bernard Lumpe
 - Marvin Schultz
 - Ron Mallas

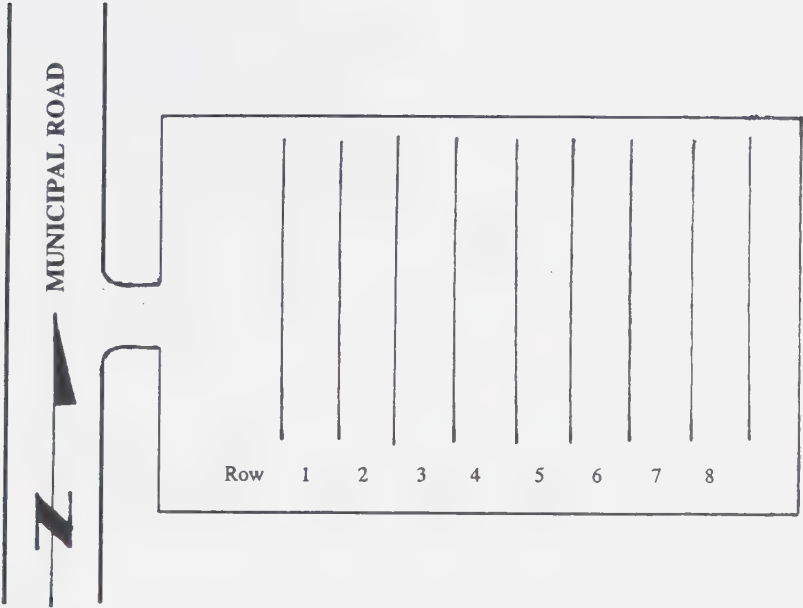

The cemetery was recorded 7 June 1990, by the Cemetery Recording Committee of AGS, Edmonton Branch. Information was copied from the grave markers, including the common marker for all the childrens unmarked graves. At the same time, the layout of the cemetery was sketched. Information was copied from Burial Records and from a cemetery plot plan. Additional birth and death information was obtained from "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area".

OUR SAVIOR (continued)

The information in this publication indicates that the first burial in Our Savior Lutheran Cemetery was that of Edward Berkholtz in 1905. The most recent burial was that of Lawrence Schoenknecht on 21 August 1990.

For more details about the area, see "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area, 1982."

SCANDIA NORWEGIAN LUTHERAN CEMETERY
SW-13-48-21-W4

The cemetery is located about 14km north-west of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. Go north on 21 for 7.2 miles(11.6km), continue north for 1 mile(1.6km) and then east about 0.2 miles(0.3km), on municipal roads. The cemetery is on the north side of the road.

Settlement in the area which was later called Armena, started with the arrival of the T.S. Grue, S.T. Grue, and Ole Movald families, on 17 May, 1894. Settlers coming after 1900 were mostly from the north central States.

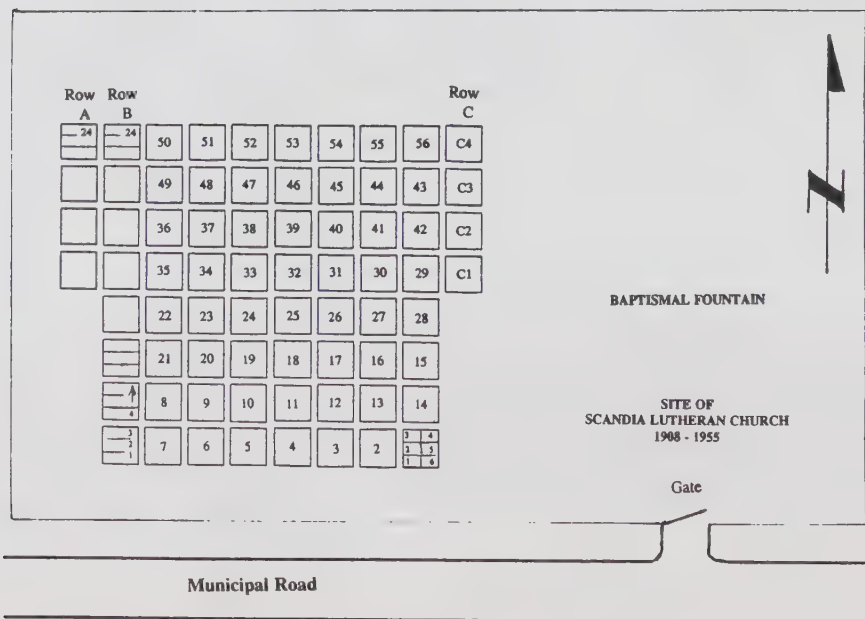

The Scandia congregation was organized on 26 October 1901. In April 1903, a church site was chosen on section 2-48-21-W4, beside the established old cemetery. The church was completed in 1905. In 1908 it was moved to SW-13-48-21-W4 where a new cemetery was started. On 30 April 1955, a fire destroyed the church. A new church was built in Armena.

On 7 June 1990, the cemetery was recorded by the Cemetery Recording Committee of AGS, Edmonton Branch. A sketch of the cemetery layout was made at the same time. Information was copied from incomplete ministers records and from a cemetery Burial Register. A cemetery plot plan, with names but no dates, was copied. The cemetery caretaker is Lester Lomnes of Armena.

The information in this publication indicates the first burial in the Scandia Norwegian Lutheran Cemetery was that of Gina Lomnes, in 1893. The most recent burial was that of George Edwin Hendrickson, on 26 January 1990.

For more details about this area, see "Footprints Along the Stony: A History of Armena and Baldenstein Areas, 1982."

OLD SKANDIA CEMETERY
NE-13-48-21-W4

The cemetery is located about 14km north-west of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. Go north on 21 for 7.2 miles(11.6km). Go west 0.5 miles(0.8km) on a farmers access road, and then south about 0.4 miles(0.6km). The cemetery is to the east side of the roadway.

When early settlers arrived in the area in the 1890s, there were no cemeteries. In 1896 the government of the North West Territories in Regina donated three acres of land, on a hill on the west side of NE-02-48-21-W4, for a cemetery site.

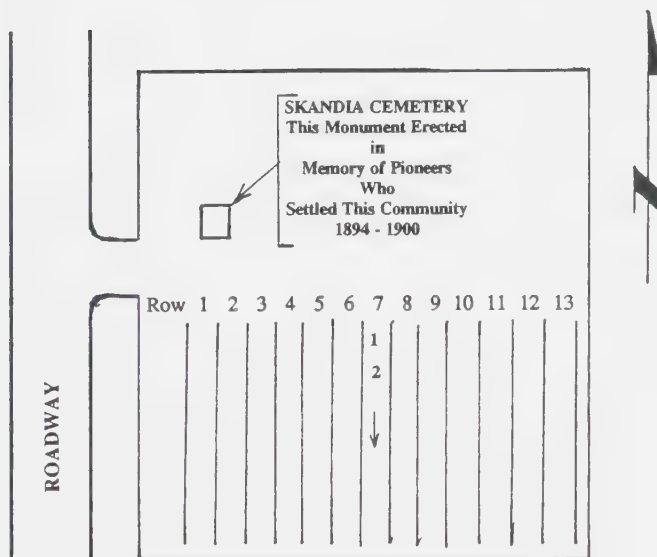

In April 1904, a church was built on the south side of the cemetery. Cornelius Grue was the carpenter. The church was later moved. In 1977 a government grant was received to fence the cemetery and erect a monument in memory of the early settlers.

The plan of the old cemetery has not been located, but a list of burial information was compiled and published in "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area." The list was based on what people could remember and information on the grave markers.

The information in this publication indicates that the first burial in the Old Skandia Cemetery was that of Nina Constance Boe on 10 April 1898. The most recent burial was that of Rolf Harvey Welda on 17 February 1987.

For more details about the area, see "Each Step Left Its Mark: A History of Hay Lakes and Surrounding Area."

FRIDHEM LUTHERAN CEMETERY

NW-9-48-20-W4

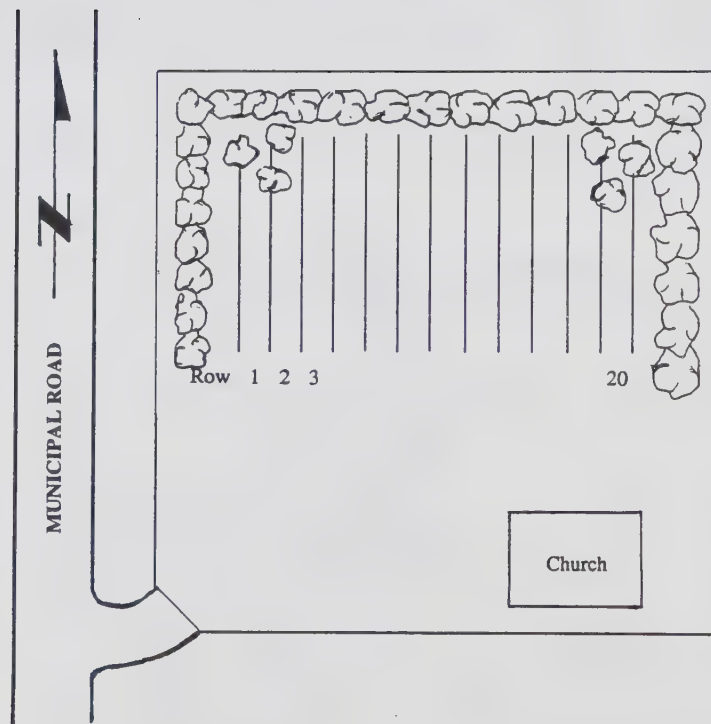

The cemetery is located about 11km north of Camrose. It can be reached by taking Highway 13 west of Camrose to the junction with Highway 21. The church is on the south-east corner of the intersection.

No history, plot plan or burial records have been found for this cemetery. We are told that the cairn at the cemetery lists all the burials in the cemetery. The cemetery was recorded on 7 June 1990, by the Cemetery Recording Committee of AGS, Edmonton Branch.

The information in this publication indicates that the first burial in the Fridhem Cemetery was that of Esther May Nelson in November of 1904. The most recent burial was that of Ingue I. Johnson in 1987.

KINGMAN CEMETERY
NE-08-49-19-W4

The cemetery is located about 22km north-east of Camrose. It can be reached by taking Secondary Highway 833 north of Camrose for about 11 miles(17.7km) to the junction with Secondary Highway 617. Go east on 617 for 6 Miles(9.7km), then north on a municipal road for 2 miles(3.2km) to a municipal crossroad. The cemetery is on the south-west corner of the intersection.

Some of the burials were of the Norwegian Lutherans in the area, but mostly the cemetery has operated as a community cemetery. No record books are known to exist for this cemetery. The man who was looking after this cemetery died and since then no records have been found. The cemetery is cleaned up twice a year.

The information in this publication indicates that the first burial in the Kingman Cemetery was that of Sinnie Bjorgum in 1912. The most recent burial was that of Ken Winder in 1990.

SAINTS PETER AND PAUL ROMAN CATHOLIC CEMETERY
SW18-048-21 W4

This location, first an informal burying ground, and later formalized as the "Sts. Peter and Paul Parish", saw its first burial late in the winter of 1907, when it proved impractical to attempt the burials of this community in Round Hill. The land (2 acres) was officially transferred from the ownership of Mativý Szawaga (Mathew Shawaga) to "La Corporation Episcopal, Catholique, Romaine, de St. Albert, in the Province of Alberta. Canada", 31 August 1908 "in consideration of the sum of \$1.00". "In the early days this mission was called Bittern Lake Mission, because it is north of the Bittern Lake."

This transaction started a movement of unification of the Galician and Ruthenian (Ukrainian and Polish) immigrants in the neighborhood.

Since that time, this parish has flourished, its babies have been baptized, its couples married, and its dead laid to rest in the parish centre.

The data for this cemetery recording has been taken from parish history book "Saints Peter and Paul Parish, Hay Lakes, Alberta, 1910-1985", published in 1985.

Further information may be gleaned from the parish history, and also from the community history *Each Step Left Its Mark*.

Preliminary research for this cemetery was contributed by Judy Wasylenko (A.G.S. #1233), with further records provided by Maureen McKay (A.G.S. #1043) who is a member of Sts. Peter and Paul Parish, and a member of the parish research team who prepared the parish history.

44 burials have been identified in this cemetery. They have now been entered in the "Master Burial Index for the Province of Alberta."

HAZEL BLUFF CEMETERY

NW33-59-27 W4

The following history is taken from information gleaned from the community history **80 Years of Progress** published by the Westlock History Book Committee in 1984.

For many years, Hazel Bluff United Church has stood as a landmark on the crest of a rise five miles west of the town of Westlock (on Highway 18). It was the first church established in the area and served the Protestant people of the area very well.

The early records of the church are missing but a newspaper clipping from the November 10, 1921 issue of the Edmonton Journal refers to Hazel Bluff celebrating its twelfth anniversary on the previous Sunday, thus establishing its founding sometime in 1909.

The early religious needs of the pioneers were met by services held in private homes. As the country opened up, the need for a church was apparent. The Rev. Robert Telfer, a Methodist circuit rider, chose the site for the church and cemetery on the summit of a hill in the north-west corner of the Gordon Guest homestead--NW33-58-27 W4. A government grant was obtained for the purchase of ten acres of land. The men of the district got out logs which became lumber at the local sawmill. Although the church was under the supervision of the Methodist Mission, it was, and always has been, a truly united church.

Mr. Telfer played a leading part in the project but before his plans were realized he became ill and in November 1908 he died. His was the first burial in the new Hazel Bluff Cemetery.

The old church still stands on the hill--it has been moved slightly to accomodate the highway which runs past the site--answering to the needs of its community. The bare field behind the new church building, as shown in an early snapshot, now is the cemetery, shaded by ancient evergreens. The church, its yard and adjoining cemetery are lovingly maintained by the community. Rev. Mr. Telfer's grave is in the heart of the cemetery, under the largest evergreens. The inscription on the marker reads: "Born Crossgates, Scotland; died Pembina, Interred Pembina Cemetery" would indicate that this community had not yet chosen its name--Pembina was the Post Office on the Riverbank more than four miles away, on NW24-60-1 W5.

CEMETERY

NW - 06 - 29 - 21 - W4

Recorded by members of the Alberta Genealogical Society

THE HOMELAND CEMETERY

NW¼ 6-29-21-W4

The Homeland Cemetery, also known as the Tarbuck Family Grounds, is a small quaint spot on a knoll, Cradled on three sides by the barren towering banks of the Drumheller Valley and facing Kneehill Creek - the fourth side being the Dunphy Road, passing by the south end, going somewhat east and west. It is situated on the land originally owned by John Henry Tarbuck.

It was consecrated by the Anglican Church in 1915 and given the name of "Homeland Cemetery". The first to occupy this quaint little prairie resting place was Grandmother Alice Tarbuck in 1915 - wife of John Henry.

Those to follow were:

2. William Leslie Parkinson in June, 1929. He was Mrs. Agnes Tarbuck's (second wife of John Henry) nephew. Headstone reads PARKINSON, Wm. Leslie
3. Thomas Bentham in February, 1931. Agnes Tarbuck's father
4. Mary Juliana Jung in October, 1936. She was a little abandoned girl who lived on the creek. Her parents refused her a proper burial, so E.T. Lowen took her to the family cemetery for burial.
5. John Henry Tarbuck in January, 1946. Father and grandfather of all descendants in this book ("Tarbuck History"). Headstone reads John H. 1964-1946.
6. Agnes Tarbuck in 1948. Second wife of John Henry. Shares headstone with John H. - Alice 1857-1915.
7. Jack Pembroke Lowen, who died November 28, 1977. Grandson of John Henry Tarbuck, son of Mary Tarbuck and E.T. Lowen. Headstone reads Jack Pembroke 1922-1977 Royal Can. Navy 1942-1945 LOWEN.

The above information was taken from "Tarbuck History" compiled by Louise Lowen, Drumheller.
